Subject: TPS FAR-based contract Industry Day

Purpose: To announce the upcoming meeting with industry partners outlining the requirements for the transition from tenders to a FAR-based contract.

Be Advised: On Wednesday, January 23, 2013, SDDC is hosting a meeting with AA&E, PSS, and CIS carriers to provide information pertaining to the transition from TPS tenders to a FAR-based contract. This discussion is not intended for FAK shipments or other modes of transportation.

The meeting will be held from 0800-1600 CST at the 932nd Airlift Wing Medial Group conference room (Bldg 3651), located at Scott AFB, IL.

G9 will send topics for discussion prior to the meeting, which is intended to capture information to assist with contract development. Please come prepared to provide input to these items.

Please RSVP to Mr. Tony Mayo (Anthony.a.mayo2.civ@mail.mil) or Meg Meade (Margaret.e.meade6.civ@mail.mil) by close of business on Friday, January 18, 2013 with the names and contact information, to include emails and phone numbers of the individuals that will attend.

Directions to the meeting location, instructions for accessing Scott AFB, and additional details will be sent to attendees shortly.
